

Gatty's

FOOD & BEVERAGE MENU

Roaming through the Tasmanian midlands, you might think a lot of things. That it's peaceful. That it's quiet. That the people are kind and welcoming. You probably wouldn't imagine, however, that these serene plains produced Harold Gatty - one of the greatest pioneers in aviation the world has ever known.

We honour a local hero who charted new paths across the globe. His story reflects the quiet strength and ingenuity of the Tasmanian midlands, where extraordinary things grow from humble places.

At Gatty's, we carry that legacy forward, serving the best of Tasmanian produce to connect people, just as Gatty always did.
