

LAUNCESTON AIRPORT

ASSISTANCE CARD

Before placing your bags on the X-Ray belt, do you have any of the following items in your bag or on your person:

- | | |
|--|---|
| <input type="checkbox"/> Phone | <input type="checkbox"/> Keys |
| <input type="checkbox"/> Aerosol Cans | <input type="checkbox"/> Cigarette lighters or e-cigarettes |
| <input type="checkbox"/> Sharp objects | <input type="checkbox"/> Medicines wrapped in foil |
| <input type="checkbox"/> Laptop | |

Place them in the trays provided.

Is there anyone assisting you today?

You must advise the Screening Officer of the following:

- | | |
|--|---|
| <input type="checkbox"/> Cochlear Implant | <input type="checkbox"/> Any other medical device that may prevent you from walking through the Metal Detector? |
| <input type="checkbox"/> Pacemaker | |
| <input type="checkbox"/> Hip or Knee replacement | |

When directed – please walk through the frame of the Metal Detector.

Ensure you check the Flight Display Screens throughout the airport or in the departure lounges for any flight update information.
